HISTORIANS ARE TOLD OF INDIAN KIDNAPPING OF COUNTY FAMILY

Members of the Adams County Historical Society, standing on the well-tended lawn at the home of the Rev. and Mrs. A. W. Geigley at Virginia Mills Tuesday evening, heard of the day 198 years ago when 19 Delaware Indians came across that same area to take the Bard family captive and burn their mill and house.

Frank M. Moore, Fairfield, told the story which was written years ago by a member of the Bard family who had received the information from his parents.

Mr. and Mrs. Richard Bard were a young couple with a six-month-old baby in 1758 when the Indians came into the yard at their mill. With the Bards were Lt. Potter, a relative; Hannah McBride, a bound girl, and a bound boy named White. David Hunter and Samuel McNamee were working in a field nearby.

The Virginia Mills family had only a pistol for defense and, surrounded by the Indians, bargained—their lives in exchange for peaceable surrender. The Indians agreed, but failed to keep their part of the bargain.

Burn Mill, Home
While the white prisoners watched, the Indians looted the house and mill and then set them afire.

The Indians first tomahawked Lt. Potter to death and then sometime later, as they were crossing the mountains, tomahawked the six-month-old infant "probably while the mother was walking along holding the child in her arms," Mr. Moore said.

Mr. Bard Escapes
Somewhere along the route to Fort Duquesne (Pittsburgh) Hunter was also tomahawked to death. On the trip Mr. Bard made his escape. He wandered through the mountains and woods, subsisting on berries and snakes and finally arrived back to civilization with his clothes nearly gone. He had used the clothing to make moccasins for the long journey.

Bard twice visited Fort Duquesne before he learned of the whereabouts of his wife, who in the meantime had been adopted by an Indian family which had lost a sister. Bard was able, after about 2½ years, to ransom his wife from the Indian family which was then residing on the west bank of the Susquehanna. The ransom was 40 pounds, English currency.

Mr. and Mrs. Bard then resided for a time with Bard's father at the Marsh Creek settlement, which later became Gettysburg. Later they lived near Chambersburg.

Last Mill Tumbled
Mrs. Bard had been well treated by the Indian family that adopted her, and when she left them asked that they visit the Bard home. While they resided near Chambersburg one of Mrs. Bard's Indian "brothers" did visit. A white who hated Indians nearly killed the Indian with a knife. When he had recovered, the Indian returned to his Indian home. But by that time he had stayed too long—the other Indians thought he had become too friendly with the whites and he was

RECEIVES MANY SCHOOL AWARDS

Miss Ann Haenn, who received the Bachelor of Arts degree, cum laude, from Seton Hill College, Greensburg, Monday, received a prize for "outstanding accomplishment and service" in the speech department, a certificate from the national office of Alpha Lambda Delta for maintaining a 2.5 average through four years and a certificate of election to Who's Who Among Students in American Colleges and Universities. She received an award from the Confraternity of Christian Doctrine for teaching religion classes every Sunday for four years in a small mining town. She also received the American Association of University Women's award to Seton Hill this year. An additional award was the Ellen M. Geyer Memorial prize of \$25 given to a senior chosen by the faculty of the departments of Education and English.

Miss Haenn, a daughter of Mr. and Mrs. George L. Haenn, R. 1, will work in the Nursery School at Parmadale, O., this summer. The school is under the direction of the Sisters of Charity of St. Augustine. She will teach at Our Lady of Lourdes School, Abbeville, La., next year. She is vacationing in Milford, Conn., as the guest of Miss Joan Bachand along with a group of classmates from Seton Hill.

Gettysburg Wins Safety Award

Gettysburg is one of 862 cities of more than 5,000 population named to the Honor Roll of the Traffic Safety Award Program of the National Safety Council for going through 1955 without a single traffic fatality.

The Council announced that this was an increase of 32 from the number of the 1954 Honor Roll.

The largest no-death city in 1955 was Muskegon, Mich., with a population of 48,429. Hobart, Okla., a city of 5,380 population, kept clean its record of never having a traffic death since its incorporation in 1901.

Among cities of more than 10,000, top honors for sustained no-death records went to State College, Pa., population 17,227, for eight consecutive death-free years.

WILL OBSERVE ANNIVERSARY OF EXTENSION UNIT

Preliminary plans for celebration of the 40th anniversary of the establishment of the Extension program in Adams County were outlined Tuesday evening at a meeting of the executive committee of the Adams County Agricultural Extension Association at the court house.

President Myles Starnes said he will appoint a committee in the near future to complete arrangements for the event to be held in September in connection with the 150th anniversary of Gettysburg's establishment as a borough.

Plans were also outlined for a county-wide agriculture tour to be held the latter part of next month. A. B. C. Williams, general chairman, said that more complete plans will be made at a meeting of the committee Monday evening at the home of associate County Agent Fred H. Attinger.

Plan Early Visit
Roscoe Wherry, Hanover R. D., and Howard Waybright, Gettysburg R. D., reported as a special committee named to visit the Carroll County 4-H Agricultural Center.

Money to construct the center was raised by donations which included cash, labor and skills, the two men reported. They added that it is maintained by donations from the various agricultural organizations which use the center's facilities.

The group discussed plans for "several carloads" of leaders of county agricultural groups to visit the center in the near future. The discussion and study is part of a proposed plan that Adams County construct a similar agricultural center to handle the meetings of the many farm groups.

The next meeting of the executive committee will be held in the form of a family picnic Sunday afternoon, July 29, at the home of Stuart Lucabaugh, Hanover R. 5.

NATIVE LEAVES COLLEGE STAFF

Dr. John Milton Blocher, son of the late Mr. and Mrs. C. A. Blocher, Gettysburg, and brother-in-law of Mrs. Henrietta Blocher, 28 W. Middle St., will retire from the faculty of Baldwin-Wallace College, Berea, Ohio, this month. Dr. Blocher, a native of Gettysburg, has been professor of chemistry at the college for 39 years.

Accepting the appointment as chairman of the Department of Chemistry in 1917 Dr. Blocher joined the Baldwin-Wallace College faculty after finishing graduate school. He is a graduate of Gettysburg College and received his Ph.D. from Johns Hopkins University.

He is also the holder of the Alonzo Bennett and Marie Bennett Crane professorship in chemistry.

Dr. Blocher is married and has two children, both of them Baldwin-Wallace graduates.

His son is also the recipient of a Ph.D. degree.

A reception honoring Dr. Blocher will be held Saturday at the college.

Operation Changes Little "Brat" Into Cheerful Girl

CHICAGO (AP)—An operation has transformed a little girl from a "brat" to a cheerful child.

Doctors, in making the switch, removed half her brain.

Surgeons at Wesley Memorial Hospital described the case at a news conference. They said the unnamed 6-year-old blonde youngster had sleeping sickness at the age of 1. Her left side was affected by partial paralysis.

She became a "brat," mistreated others, shouted at her mother and destroyed toys. She suffered 10 to 12 convulsions each day. She was taken out of school because of her ugly behavior and taken to Wesley Hospital.

Medical investigators decided that half her brain was responsible for her behavior. Tests showed the right half of the brain and

CONEWAGO TWP. SCHOOL TAXES ARE INCREASED

Property and per capita school taxes in Conewago Township were increased from last year's 20 mills to 30 and from \$13 to \$15 at Monday night's meeting of the township school board.

The increase was made to finance the 1956-57 budget of \$90,303 which includes rentals on a new building if it is approved by the State Department of Public Instruction.

The question was brought before the board last night and explained by a representative of the state agency and H. Edgar Riegle, Adams County superintendent of schools, and who informed the board that a suitable site should have at least 10 acres of ground to accommodate the school activities and building. Other details were explained by representatives of the Buchart Engineering Corp., York, architects for the board.

Representatives of the Brushstown Fire Co. requested a reduction in the rental of the Locust Grove school house which had been set at \$10 per month at last month's meeting of the board. The firemen explained that they kept the building and grounds in repair and had little revenue left from their use of the building on Saturdays. The board decided the rental should stand at the present \$10 fee.

Inspect School Sites
Members of the board planned to meet with state department representatives Friday to inspect possible sites for the new school building before taking an option on a site.

The request of the McSherrytown school board to have the township board rescind its action against acceptance of pupils from McSherrytown for the coming year was declined as it was explained that the present township buildings are overcrowded and additional students from other districts cannot be accommodated.

Earl G. Krepps was named as treasurer of the board for the coming year. Present at the meeting were Directors Charles F. Ziegler, Henry E. Leppo, Earl Krepps and Barry D. Brammer, president, and Harold R. Blair, supervising principal.

MRS. H. P. BLOOM PASSES AWAY

Mrs. Harry P. Bloom, 77, died at 1:20 o'clock Tuesday afternoon at her home on West King St., Littlestown. She had been in failing health for seven years.

Mrs. Bloom was the daughter of the late David and Mary Elizabeth (Hawk) Currens. She is survived by her husband and three sons: David C. of Hanover; John R. of Littlestown; and Fred C. of Taneytown R. 2; two grandchildren and six sisters: Mrs. Henry Smith, Mrs. Oscar Humpert, Miss Ellen Currens, and Mrs. Elmo Stricklin, of Baltimore; Mrs. Harry Lightner and Mrs. Ezra Harbaugh, of Westminster.

The deceased was a member of St. John's Lutheran Church, Littlestown, the Sunday School and the Ladies' Aid Society.

Funeral services will be held Saturday at 10 a.m. at Little's Funeral Home, Littlestown. Rev. W. C. Karna will officiate and burial will be in the church cemetery.

Friends may call at the funeral home Friday evening.

GETS INCENTIVE AWARD

Roy D. Culp, Orrtanna R. 1, an employee of the Vehicle Branch, General Supply Storage Division, at Letterkenny Depot, Chambersburg, has been awarded \$95 for his suggestion for a device to be used in pairs with a three-ton Yale hydraulic pull lift to tighten cable when loading materials where regulations require the use of cable.

Mr. Culp is a regular contributor to the Incentive Awards program, and this was the second award made to him.

skull had failed to grow.

So, in a 4-hour, 35-minute operation May 14, the right half of the brain was removed. Generally, the right half of the brain controls the left side of the body.

Now, the doctors reported, the healthy side of the brain is taking over additional functions, and the child's senses are as acute as before the operation.

Partial paralysis still is apparent, they said, but improvement is expected with the passage of time. She has no more convulsions, they added, but does have a new personality.

The girl was described as pretty, cooperative and cheerful, and of normal intelligence.

Her parents plan to send her back to school this fall in their home community somewhere in northern Indiana.

Addresses Final School Exercise

Dr. Lloyd C. Keefe returned for the final commencement exercises of his alma mater, Hampstead Md., High School, where he delivered the commencement address Tuesday evening.

Dr. Keefe was one of seven class members of the first class to be graduated from Hampstead. Monday evening's commencement was the final one for Hampstead High School as next year it will be part of a new consolidated high school between Manchester and Greenmount. Five of the original class members were present for the commencement.

ASKS FARMERS TO WAIT FOR SOIL BANK DATA

The Adams County Agricultural Stabilization and Conservation Committee today asked farmers to wait "a week or ten days until we get the forms and information" before querying the office on York St. concerning Soil Bank plans.

Glenn Miller, office manager, said numerous farmers have called, since passage of the bill, desiring to take advantage of the soil bank provisions.

Miller added: "While statements by officials and information about the bill have been published, it takes some time for forms to be printed and distributed and the answers pertaining to each locality to be worked out. We have nothing at the office now, but hope to have the forms and information in about two weeks."

Have Choice On Corn

For the benefit of farmers planting corn, Miller said that the farmers may comply with their corn allotment and thus be eligible for the maximum support price rate, or, the farmer may use the Soil Bank requirements which means the placing of 15 per cent of the farmers corn base acreage into a "reserve."

The corn base acreage is the acreage on which a farmer's corn allotment is based. The "reserve" is an area set aside from the farmer's cultivated land on which he has not and will not harvest a crop, cut hay or graze in 1956.

Under the plan he can also elect to carry out certain conservation practices on the reserved land under a contract which calls for the land to be withdrawn from use for crops, grazing or hay for the period of the contract, which may range from three to 15 years depending on the type of conservation measure applied to the land.

SELL PROPERTY FOR \$15,500

The following property transfers have been recorded in the office of the register and recorder: Howard A. and M. Gertrude Knouse, Gettysburg R. 2, sold to Frederick J. and Ruth O'Neal, Middletown, Ohio, for \$15,500 a property in Highland Twp. containing about one acre.

Lillian C. Carper, Conyngham, sold to Daniel F. and Elizabeth E. Boone, New Oxford, for \$8,400 a property on the Lincoln Highway in Oxford Twp. containing about twelve acres.

Burnell P. and Nellie K. Buohl, Gettysburg, sold to Harvey M. and Sara E. White, Gettysburg, for \$3,300 a property in Gettysburg Twp. and Grace L. McSherry, Littlestown, sold to Sterling L. and Helen F. Trostle, Littlestown, for \$1,200 several properties in "McSherry Park" in Littlestown.

J. F. Yake and Vivian S. Yake, Oxford Twp., sold to George D. and Dorothy A. Reese, New Oxford, for \$750 a property on Ridge Ave. in McSherrytown.

Lucy D. Emerson, Oxford Twp., sold to Keith J. and Catherine N. Heubridge, Hanover R. 1, for \$500 a property on the west side of the state highway leading from Littlestown to Route 116 in Union Twp.

Harry A. and Gertie R. Lauchman, Reading Twp., sold to Alvin R. and Almene G. Henry, Conewago Twp., for \$350 a property in Reading Twp.

Dr. C. Fremont Hall Honored By Society

Dr. C. Fremont Hall, Nutt Rd., Phoenixville, son-in-law of Mrs. Charles W. Stock, E. Broadway, was recently installed as second vice president of the Pennsylvania Academy of Ophthalmology and Otolaryngology.

The installation was held Saturday at a banquet which closed the society's annual three-day conference at the Bedford Springs Hotel. Dr. Chevalier L. Jackson, of Temple University, was installed as president of the society and Dr. Harry S. Weaver of Hahnemann Hospital, Philadelphia, as vice president.

Mrs. Hall, the former Miss Angela Stock, of Gettysburg, attended the banquet.

96 GRADUATES GET DEGREES AT MSM EXERCISES

Ninety-six graduates were presented their degrees today by the Most Rev. Francis P. Keough, archbishop of Baltimore, at the 148th annual commencement exercises of Mt. St. Mary's College. The Gettysburg Times really gets around... from the Atlantic to the Pacific. London and Paris newspapers have come in contact with this daily and scarcely a week passes but what some friend or reader writes of The Times, some place, somewhere.

Some time ago The Times published one of the always popular articles by Leighton C. Taylor on "Marcia Burns, The Story Of Washington's First Belle And Hostess." This piece was widely read and reprinted.

A few days ago Pauline Deatherage, historian of the Marcia Burns Chapter of the Daughters of the American Revolution, wrote of the piece as follows:

"Some months ago I received, through the kindness of Mr. Stout Lillard, of Washington, a copy of The Gettysburg Times.

As Historian of the Marcia Burns Chapter, D. C. D.A.R., I was delighted to have your article 'Marcia Burns - The Story of Washington's First Belle and Hostess.' We are greatly indebted to you for your splendid article and for the research that it required. Our Chapter Regent, Mrs. S. Clifford Weller, and chapter members wish to add their thanks to mine.

"Your article was featured in the 'Marciana' section of my Chapter history scrapbook, where it will be permanently preserved for the Chapter. Our Chapter is happy to report that this scrapbook won first honors at the D. C. D.A.R. State Conference last month. I am sure your article about Marcia Burns contributed toward this success.

Suggests \$20 Tag For Turnpike

HARRISBURG (AP) — Senate Democratic Leader Dent today proposed a special \$20 license tag for passenger automobiles using the Pennsylvania Turnpike as a possible way of paring down a proposed increase in tolls.

Dent suggested that Pennsylvania Turnpike Commission follow the lead of New York State in its thruway program providing unlimited use automobile license tags for \$20 a year.

Dent's proposal came as a Senate investigating committee opened hearings on the Turnpike Commission's suspended increase in tolls that would boost auto fares about 40 per cent and reduce truck tolls about 20 per cent for the entire trip across the Keystone State.

C. C. Culp To Head Child Welfare Unit

C. C. Culp was elected president of the Adams County Child Welfare Advisory Board at a meeting Tuesday night in the board offices in the court house. Other officers elected are: Vice president, Rev. Amos Geigley; secretary, Mrs. Henry J. Bream and treasurer, Mrs. Edwin Benner.

The annual picnic will be held July 10 at Rev. Mr. Geigley's home near Fairfield, it was announced. The members of the picnic committee are: Dean Stover, Mrs. Harold Steiner, Mrs. Charles Yost and Edward Bulett.

The personnel committee reported on Robert McMullin, new director, who will replace Miss Bettie Livermore. McMullin will begin his duties June 18.

President Makes Brief Visit Here

President Eisenhower was expected to arrive at the Gettysburg Airport early this afternoon for a hurried business visit to his farm. According to Washington reports he was due to return to The White House later this afternoon.

While in Gettysburg he was to meet Allan Ryan and Lee Leachman, owners of the Ankonny Aberdeen Angus herd at Rhinebeck, N. Y.

DEER COMES TO TOWN

A deer, described as "a good sized one, but not a fawn," walked across the front lawn at the home of Dr. Harry Bachman, Springs Ave., this morning. The deer came within 20 feet of the Baughman front porch. As Dr. Baughman approached the deer it recognized the presence of a human being and ran across Springs Ave. toward the Lincoln Highway and disappeared.

Stevenson Swamps Kefauver In California To Take Lead For Democratic Nomination

By JACK BELL
SAN FRANCISCO (AP) — Adlai E. Stevenson swept to a thunderous California victory today that all but knocked Sen. Estes Kefauver out of the running for the Democratic presidential nomination.

Stevenson took California's 68 Democratic convention votes by what approached a landslide margin and forged so far ahead of his rivals that he looked like the man to beat for his party's nomination. He was getting 62 per cent of the Democratic vote in California.

Including yesterday's California, Montana and South Dakota primaries, Stevenson has 259½ delegates and Kefauver 166. Other candidates have 228 total and 370½ are uncommitted publicly.

PICNIC MEETING

The Adams County Fire Chiefs Association will hold its annual picnic meeting Thursday evening at 8 o'clock in the firemen's grove, at Bonneauville, President Bernard V. Miller announced today.

COMMISSIONERS ENGAGE FIRM TO BUILD SPANS

The Adams County commissioners this morning retained the engineering firm of Ambrose R. West and Julius E. Wells of Harrisburg and Bethlehem and told them to begin preliminary surveys for two bridges to be replaced this summer.

One will be a span over Opposum Creek near Aspers, to replace the steel frame structure destroyed recently when a heavily loaded truck went through the four-ton weight-rated bridge. The 56-foot structure collapsed into the stream.

The other will be an 11-foot covered bridge at Deardorff's Mill on Opposum Creek, in Butler Twp., on the road from Bender's Church to the Stone Jug Rd.

Wells, a resident of New Oxford R. 2, represented his firm this morning when the commissioners reached their decision on the bridges. The county had planned to replace two bridges this summer, and the destruction of the bridge near Aspers determined the one to be replaced. The other was described as the most worn of the covered bridges in the county.

Steel Or Concrete
Wells was directed to report on possible cost of steel and concrete for the two structures.

The firm was also directed to present preliminary plan to the state's Water Power Resources Board, which must approve all bridges. In other business this morning the commissioners approved county aid totalling \$298.32 to Arendville which plans to place ten-inch tile at the intersection of the drive to the Arendville Elementary School at Fohl St. and to cover the pipe.

SAYS KIND WORD MAY HELP SOME WAYWARD YOUTH

"A kind word or a pat on the back" may help change some juvenile delinquents into "good citizens," Delroy M. Anderson, Adams County probation officer, told the Kiwanis Club Tuesday evening at a meeting at the Dutch Cupboard.

Speaking of his work with juveniles, Anderson said that "just as there are many reasons for delinquency, so there are many ways in which the problem has to be met."

"A kind word or a pat on the back by someone could be of considerable help to some delinquent children, while others need correctional care."

"Every possible means is used to help delinquent children if at all possible a foster home is found for them. Only if no other solution is possible is a child sent to an institution."

Contributing Factors
"There are many contributing factors causing delinquency in children. Inadequate recreation facilities may be a contributing factor, or improper home care because both parents are working, or the separation of parents. The lack of religious training is frequently a definite contributing factor."

"Children who are delinquent are individuals and the causes of their delinquency varies from individual to individual and as a result each case must be considered separately and the correctional methods used fitted to each youngster."

Charles S. Graham, president of the club, presided at the meeting.

BIBLE SCHOOL OPENS TODAY

The York Springs Community Daily Vacation Bible School opened today with 110 children enrolled. The opening assembly was held in the Lutheran church with Rev. Norman Bortner and Rev. Amos D. Meyers in charge of devotions.

The nursery and kindergarten departments meet in the Lutheran church; the primary and junior departments meet in the elementary school building. There are 38 children enrolled in the nursery and kindergarten departments; 44 in the primary department and 28 in the junior department.

TOWN SPENDING BRINGS WARNING ABOUT BUDGET

Gettysburg has spent \$45,871.64 for its borough operations so far this year, according to the report of Treasurer John H. Basehore at Monday evening's meeting of council.

The expenditures brought from a number of councilmen warnings that the town will "have to go easy" if it is to avoid exceeding its budget for the year.

The expenditures for the first five months of 1956 include \$3,718.18 for general government, \$19,327.17 for protection to persons and property, \$290.97 for health and sanitation, \$17,355.19 for highway purposes, \$1,000 miscellaneous and \$4,180.22 for electric lights.

During May the town spent \$10,710.45, or slightly more than its income for the month. Income was listed as \$10,191.51 including \$6,942.29 from Tax Collector J. Herbert Weikert, \$58.40 from Etna Insurance Co., \$1,114.22 from Burgess William G. Weaver, \$25 from Justice of the Peace John H. Basehore and \$2,051.50 from meter collections.

Burgess Reports
Expenditures for May included \$452.96, general government; \$3,266.37 protection to persons and property; \$50 for health and sanitation, \$6,181.96, highways, and \$759.14 electric light.

The report of the burgess showed he received and turned over to the borough \$409 from parking fines, \$206 from 11 building permits, \$15 for two digging permits, \$373.74 theater tax, \$1 for a guide license, \$108 refund from the municipal authority and \$1.50 from a mowing bill. His report also showed that 16 building permits, for construction estimated at \$99,525, had been granted during the month.

Fire Chief Donald W. McSherry reported the company answered four alarms, two in the borough with \$7,000 loss and two in the country. Three rescue calls were answered with the rescue truck traveling 67 miles.

Chief of Police Jack Bartlett reported the officers made ten arrests during the month on criminal charges, and 16 arrests on traffic charges. Eight accidents were investigated. 188 complaints were received, 25 escorts were provided, 41 "assists" were given other police officers, two bicycles were recovered and a missing person was located.

LOCAL GOLFERS DOWN HANOVER

The Gettysburg Country Club's women golfers downed the Hanover Country club women's team by a 16 to 2 score Tuesday afternoon in a match played over the Hanover club course at Abbotstown.

Marian Rebert posted low medal score for the Hanover unit while Jo Ann Cressen and Mary Davis tied for the Gettysburg honors.

Individual match scores were: Mary Davis and Jo Ann Cressen, 4-0; defeated Marian Rebert and Marie Mummert, 3-0; Dorothy Bryson and Margaret Opler, 4-0; defeated Marie Miller and Phoebe Jack, 3-0; Thelma Bender and Helen Wenk, 4-0; defeated Arlene Rife and Becky Lawrence, 3-0; Shirley Herr and Betty Gifford, 4-0; defeated Ann Pitkin and Pat Plozman, 3-0; Peggy Cline and Gertrude Webster, 4-0; defeated Edna Pierson and Jo Ann Pfaff, 2-1; and Ellie Nail and Betty Kenworthy, 4-0; defeated Mary Halla and Beth Gobrecht, 2-1.

HISTORIANS ARE

(Continued from Page 1)

killed upon his return to the tribe, Mr. Moore related.

Giving further history of the Virginia Mills, located on the Gettysburg property, Moore told of a Myers family who once owned the mill. A governess for their children became the bride of the grandfather of Guyon Buehler, N. Washington St. Last owner of the mill as such was Augustus Tawney, late of Gettysburg, who sold it in 1918. "At that time the old mill was staggering and a few years later it fell."

Rev. Mr. Geigley showed the historians the viaduct for the Thaddeus Stevens Tapeworm railroad on the Gettysburg property. The railroad was never completed. It followed a winding path from Gettysburg to Stevens' various iron works in the mountains, and was financed by the state legislature. It was called "tapeworm railroad" by members of the legislature because of the circuitous route it took in order to reach Stevens' iron works in various areas.

At the John Linn property, near Fairfield, Mrs. Linn told of the mill there. Several of the grinding wheels are still at the site. The area also included a hemp mill at one time, she reported. Mrs. Linn said that along the stream nearby are stones which are believed to have been used by Indians to grind grain. A heavy rain felled one wall of the old mill years ago, and the remainder of the stones were given to the township supervisors to construct the approaches to a nearby bridge.

Dr. Frederick Tilberg was in charge of the tour, the last for the summer by the historians. Rev. Geigley presented to the society several handmade nails and a wooden hoop used at the mill to keep the bag tops open while flour was poured in.

Stevenson

(Continued from Page 1)

lated in the Democratic contest—gave Eisenhower \$65,938. On this basis Eisenhower was certain to top Stevenson.

To Continue Campaign

Conceding defeat early today, Kefauver said he will continue campaigning for the Democratic nomination. He said he will not accept a vice presidential place on the ticket—an offer not likely to come to him if Stevenson wins the top spot.

Kefauver said in a congratulatory telegram to Stevenson he and his supporters will do "everything possible for the election of Democratic candidates in the general election and to bring California back into the Democratic fold in November." The Tennessee senator told reporters he had "no excuses, no regrets and no alibis" for his defeat.

Stevenson obviously was relieved that primary campaigning ended with California's final contested election before the August party convention. He said he was "delighted by the results." He added, in what seemed to be a reference to the November election that "This is only the first step in a long campaign."

Predicts Victory
California's Atty. Gen. Edmund G. Brown, Stevenson's No. 1 backer here, said the primary outcome "means California will elect Adlai Stevenson in November."

James A. Finnegan, National campaign manager for Stevenson, said his candidate's wide-margin victory "shows again that he is the overwhelming popular choice of Democratic voters in all sections of the country."

Democrats held their lines more firmly than usual. They denied cross-filing Republicans two-party nomination in a U. S. Senate seat and congressional races. One Democratic congressman won reelection without opposition and two captured GOP as well as their own party's nominations.

WATER PROBLEM FACES COUNCIL AT NEW OXFORD

New Oxford Borough Council expressed the hope that it can "come up with a solution to the water problem" at the July meeting after further discussion Monday evening, at its June meeting, of the question of extending the water main on Hollywood Blvd. George Poist was present for the discussion on the water main extension.

A plan presented for the improvement of College Alley was described by council as "seeming to have the base of a solution for the improvement of that thoroughfare." The street committee was instructed to continue its study of the project.

Advertisement of an ordinance changing the width of West High St. from Hanover St. to the railroad bridge from 24 to 26 feet was approved. The ordinance will now come up for adoption at the July meeting.

The treasurer's report showed receipts of \$824 from water rents, \$6 from permits, \$8.53 from 1955 taxes, \$10 from fines, and \$24.57 from water service. Balance from May 1 was \$1,321.79, making total income for the month \$2,194.89. Disbursements totalled \$1,656.88. The balance June 1 was \$538.01.

Bills totalling \$837.91 from the water fund and \$985.88 from general funds were ordered paid. President Fred G. Klunk presided at the meeting with Councilmen John P. Smith, J. R. Robinson, Paul H. Harbaugh, A. E. Rohrbach, Cletus J. Billman and John L. Kratzert in attendance. Others attending included Burgess Guy A. Staub, Borough Manager Lawrence C. Bevenour, Officer Herman S. Bentzel and Secretary C. P. Keefer.

Easter Slayer Faces Life Term

HARRISBURG (AP)—Paul Mark Rhine, 31-year-old Harrisburg trucker, today faces life imprisonment for the Easter Sunday slaying of a nearby Highspire widow.

A jury of six men and six women deliberated for slightly more than an hour Monday night before finding Rhine guilty of first degree murder in the mutilation slaying of Mrs. Ida B. Hernandez, 60, in her cottage.

The jury recommended life imprisonment. Dist. Atty. Huyette F. Dowling asked the jury to return a death sentence.

Rhine's attorneys contended he

Weddings

Hagerman-Smith

Miss Joan M. Smith, daughter of Mr. and Mrs. Lewis S. Smith, 42 North St., McSherrytown, became the bride of Philip L. Hagerman, son of Mrs. Margaret Hagerman, 7 N. Second St., McSherrytown, and the late Robert Hagerman, Saturday morning at 9 o'clock in the Annunciation Blessed Virgin Mary Church, McSherrytown.

The Rev. Fr. Richard Hartnett officiated at the double-ring ceremony and said the nuptial Mass. The altar was decorated with white snapdragons and pink carnations. After mass the bride placed a basket of pink and white peonies before the altar of the Blessed Virgin while the choir sang "Hail Holy Queen."

Mrs. Bernard Henry, organist, accompanied the children's choir which sang hymns during the Mass.

The bride wore a floor-length white gown of nylon tulle and beau knot lace fashioned with a fitted bodice and bouffant skirt ending in a chapel train. Her elbow-length veil of French illusion net was attached to a half hat of matching lace and seed pearls. She carried a colonial bouquet of white stephanotis centered with an orchid from which fell a shower of white ribbon streamers.

Miss Nancy E. Smith, McSherrytown, sister of the bride, was the maid of honor. She wore a pink net and lace gown over taffeta and a pink crystal-embellished tiara with a nose-length veil as a headpiece. She carried a colonial bouquet of deep rose carnations, yellow pompons and pink rosebuds.

John Clabaugh Jr., Bonneauville, brother-in-law of the bridegroom, was the best man. The ushers were William Hagerman, brother of the bride, and Paul Gephart, her cousin, both of McSherrytown.

A reception was held in the McSherrytown fire hall at 7 o'clock that evening. Later the couple left for a week's honeymoon in Niagara Falls and Canada. Upon their return they will live in Irishstown. As a going-away ensemble the bride wore a black summer dress, white accessories and a white orchid corsage.

The bride, a graduate of the Delone Catholic High School, is employed by the Department of Revenue, Harrisburg, as a typist. Her husband is employed by Donald B. Smith, roofer.

Ream-Hill

Miss Elizabeth Ann Hill was married to James A. Ream Saturday morning at St. Joseph's Church, Emmitsburg, at 10 o'clock. The Rev. John Sullivan, pastor of the church, celebrated the nuptial mass and performed the double ring ceremony. Mrs. Ream is the daughter of Mr. and Mrs. Nicholas A. Hill, Lebanon, and Mrs. Ream is the son of Mr. and Mrs. William M. Ream, also of Lebanon.

Given in marriage by her brother, the bride wore an ice-blue nylon brocade floor-length gown fashioned with a fitted bodice, a round neckline, long tapered sleeves and a full skirt hemmed with a large ruffle. Her three-quarter length veil of illusion net was attached to a white nylon hat studded with iridescent pearls. She carried a white carnation spray.

Mrs. Joyce Hissner, Lebanon, was matron of honor. She wore a blue crystal-embellished ballerina gown with a fitted bodice and full skirt. She wore a blue fluted nylon hat and carried a spray of white carnations and blue baby breath.

Robert Foster, of Lebanon, was the best man. The altar boys were Bernard Ott, the third, and Anthony Topper.

After a wedding trip to Florida the couple will reside at 925 Cumberland St., Lebanon.

Mrs. Ream is a graduate of St. Joseph's Hospital School of Nursing, Philadelphia, and is employed as a nurse in the office of Dr. John L. Groves, Lebanon.

FIRE AUXILIARY TO HOLD FAMILY PICNIC SUNDAY

Plans were completed to hold the annual family picnic, at the monthly meeting of the Ladies' Auxiliary to the Alpha Fire Company No. 1, held on Monday evening in the engine house. The picnic will take place this Sunday afternoon and evening at Taneytown Memorial Park. Each member is asked to take sandwiches and soft drinks, and table service for herself and family, and a covered dish food for the group. The committee in charge of arranging games for the children includes Mrs. Mildred Wallick, Mrs. Annie Rebert, Mrs. Doris King, Mrs. Odette Strevig and Mrs. Annabelle Ohler.

Eighteen members and three visitors were present at the meeting, which was conducted by Mrs. Ottilie Weaver, president. Reports were heard from Mrs. Beverly Kebel, secretary and Mrs. Dorothy Burgoon, treasurer. It was announced that a special meeting of the group will be held on Monday, July 30, 8 p.m., to make plans to serve refreshments at the annual carnival by the Company during the first week in August. The Auxiliary will conduct a bazaar stand at the carnival on the closing night of the affair, with the

following committee in charge, Mrs. Mildred Wherley, Mrs. Ruth Sneeringer, and Mrs. Betty Kaufman.

It was decided that there will be no regular meetings during July or August. Mrs. Mildred Wallick, Mrs. Ruth Fuhrman, Mrs. Evelyn Basehoar and Mrs. Ruth Sneeringer were appointed to serve as the hostesses for the next meeting, Monday, September 10. The guest package, given by Mrs. Edna Koontz, was received by Mrs. Wallick. Entertainment included a vocal duet by Joyce and Susan Strevig, accompanied by Gary Strevig; piano duet, Gary Strevig; poems, Mrs. Ohler, Mrs. Rebert and Mrs. King. Group games were enjoyed and refreshments were served by Mrs. Odette Strevig, Mrs. Estella Wintroe, Mrs. Ruth Crouse and Mrs. Hazel Harrison.

Reminder On C-D

Ohler reminds local residents of the following revised Civil Defense air raid instructions: Alert signal will be a steady blast of three to five minutes on sirens; then, tune AM radios to a Conelrad station for emergency instructions, obey police and civil defense instructions, do not use the telephone, do not become panicky if the radio is silent for a short time as this is necessary to switch to emergency broadcasting frequencies; take cover signal will be a wailing tone or short blasts for three minutes on sirens; at home take shelter immediately, preferably in the basement or first floor interior room; outdoors, seek the best available cover; stay put until word is given to come out; if a

flash of light is seen, take cover instantly.

Loyalty Class Meets

Twenty-nine members attended the June meeting of the Loyalty Class of St. Paul's Lutheran Church held outdoors in the rear of the church, around a campfire, on Monday evening. The devotional period included the group hymn, "Brighten The Corner"; Scripture, Mrs. Paul C. Mayers; prayer, Mrs. Maurice E. Bream; story told by Mrs. Emory Gitt.

Mrs. L. Robert Snyder, president, presided, and thanked the class for making the recent food sale a success. Reports were heard from Mrs. Joseph P. Long, secretary and Mrs. George Rhodes, treasurer. The class will not meet during July or August. Group two, composed of Mrs. Carl H. Baumgardner, chairman, Mrs. Robert Gitt, Mrs. Joseph Cookson, Mrs. G. Richard Knipple, Mrs. Harold Messinger, Mrs. Charles E. Ritter and Mrs. Charles Slusser will be the hostess committee for the next meeting on Monday, September 3, at the church. Following the business on Monday evening, picnic style refreshments were served by group one, including Mrs. Arthur E. Bair Sr., chairman, Mrs. Emory Gitt, Mrs. Maurice E. Bream, Mrs. William R. Keefer, Mrs. Paul C. Mayers, Mrs. David Shildt, Mrs. John H. Riley and Mrs. Claude White.

S. S. Staff Meets

Activities of the Children's Division of Redeemer's Reformed Sunday School were discussed at the June meeting of the officers and teachers of the Division, held in the church social hall on Monday evening. Mrs. Robert W. Hall pre-

sided and plans were completed for the annual Children's Day service to be held on Sunday morning at 10 o'clock, in the sanctuary. Each department will be in charge of a portion of the program. The Children's Division will have Promotion Day on Sunday, June 24, during the regular church school session.

Preliminary arrangements were made for the annual family picnic to take place on Wednesday, June 27 at Meadowview Park, Union Mills. The planning committee is composed of Miss Lois Feeser, Mrs. Gene A. Hankey, Mrs. Richard B. Hartlaub, Mrs. Donald C. Feeser and Mrs. Robert Hall. The group decided not to meet during July and August. Mrs. Hall and Mrs. Hankey were appointed hostesses for the next meeting at the church, on Monday, September 3. The treasurer, Mrs. Hall, and secretary, Helen Jacobs, reported. The guest package, given by Mrs. Donald C. Arbogast was won by Miss Jacobs. During the social hour, refreshments were served by Mrs. Donald C. Feeser and Mrs. Edward B. Geiman.

CODE VIOLATORS

Mrs. Mary E. Beamer, 87 Prince Street, Littlestown, and Roy Strausbaugh, 150 Second Avenue, McSherrytown, were charged with stop sign violations Saturday by state police of the York substation. The informations were filed with Justice of the Peace George A. Lippy, Hanover.

During the Revolutionary War, the British Parliament was told that half the U.S. continental army came from Ireland.

TWENTY-FIVE YEARS AGO

97 Are Given Diplomas At High School: Commencement exercises that differed in every respect from the formal and sometimes uninteresting speech making programs of previous years were held before an audience that filled the auditorium of the Gettysburg high school to overflowing as 97 seniors, one of the largest classes ever graduated at the high school, received their diplomas. The entire program was in charge of members of the senior class.

Dr. Thomas L. Cline, head of the English department of Gettysburg college, in a short address, told the graduating class of the difficulties that lay ahead of them in the world outside the schoolroom, and gave them rules on how to meet the various contingencies that would arise.

All the members of the senior class who took part in the program were in costume while the background for the exercises was painted scenery brought here from Lancaster for the occasion. Lighting effects also added to the beauty and uniqueness of the program. The exercises opened by a coronation march by the Gettysburg high school orchestra followed by the prologue by Marion Miller in which she gave the theme of the program, "The Launching of the Ship." Donald McC. Swope, president of the class, took charge of the program and presided through out the evening. Harry Gelselman acted as captain of the ship.

\$18.44 Per Capita Is Paid by County Residents To State: Auditor General Charles A. Waters has completed a study of state revenue creditable to each county and of appropriations of state money to the counties.

These figures reveal that for the fiscal year 1950 Adams county contributed to state revenues \$18.44 for each man, woman and child in the county and received through appropriations, \$8.96 per capita.

Ten Best Cows Are Picked By Tester: The Report of Lee A. McCauslin, tester for the Adams county cow testing association, for the month of May, presented at a meeting of the directors Wednesday evening showed the average of ten best cows was 19.17 pounds of milk and 66.81 pounds of butterfat for the month. The owners of the ten best producing cows in the month of May were Earl Cashman, George Motter, R. M. Cashman, R. M. Spangler, A. B. C. Williams, J. C. Ebeam, George Motter, and Edgar Weaner.

Today's Talk

WHEREVER YOU ARE
Interests are everywhere. You may be only standing upon a street corner, waiting for a bus or taxi, sitting in a hotel lobby watching the people come and go. Wherever you are, however, there is something to be learned. If you doubt this, try and think of just two interesting faces you have passed in the last few minutes, if you have been walking.

By concentrating upon a single thought, it is amazing how that thought branches out! Every time we take a walk, or meet a stranger, we can learn something new. I have lived over a quarter of a century in the home where I now write, but I can say that there hasn't been a day that I haven't discovered some new thing or revelation in nature.

All my life I have speculated on people. Their names don't matter, but their personalities, their minds, and their interests fascinate me. I learn from them all. That is why it is so important to gather as many friends about you as possible. Even when you are not with them they become an inspiration because of the many delightful things, over the years, that you have spent with them.

I never tire in a big railway station, waiting for someone or for a train that I plan to take. You see people from everywhere. Many an interesting and instructive hour or so has made the otherwise long wait a big spiritual lift. I have prized friends whom I have met on ships at sea and in trains on long trips. Talking with people amounts to the reading of their book. People are potential books. If they were not, novelists would starve!

So, wherever you are, wherever you go, take the children of your brain along and introduce them to the real flesh and blood whom you contact constantly every time you move about. Life can be made so happy and beautiful. It doesn't pay to be too shy.

Tomorrow Mr. Adams will talk on the subject: "Just Never Give Up"

Just Folks

DUAL PERSONALITY

At twelve or just a bit below,
What seems a little girl to be,
Delightful every way to know
And beautiful, of course, to see,
From open shoes to lustrous hair
Had changed into a maiden fair.

Of course, if neighbors' boys get rough
She'll gladly trade them blow for blow,
And till some fellow cries: "Enough!"
She will not let the rascal go.
But when at church or at a tea,
A perfect lady she will be.

She will not childhood put aside
Till she has had a few more flings.
In dress she may be taking pride,
For that's a trait time surely brings.
But if the challenge she must face
She'll lift her skirts to run a race.

I don't know which I'd rather see—
The little girl or lady grown,
The happy child that used to be
Or her with manners of her own.

I only know they both appear
About the twelfth or thirteenth year.

SMASHING WIN FOR STEVENSON IN CALIFORNIA

By JACK BELL

SAN FRANCISCO (AP)—Adlai E. Stevenson won a smashing victory over Sen. Estes Kefauver in California's make-or-break Democratic presidential primary.

Kefauver conceded defeat early today.

In the winner-take-all contest for the state's 68 presidential nominating votes, the count from 14,768 of 24,169 precincts was: Stevenson 555,705, Kefauver 342,036.

In 13,037 precincts, President Eisenhower polled 553,261 votes on the GOP ballot. He was unopposed.

Stevenson's overwhelming victory—which might approach a half-million-vote margin—appeared to have made him the man to beat for the Democratic prize.

It put him near the threshold of a second successive nomination which might pit him in November for a rerun of the 1952 race. President Eisenhower won by 6,450,000 votes.

Stevenson grabbed a lead in the first scattered returns from yesterday's final contested presidential primary in the nation before the party's August convention in Chicago. He kept a steady pace all the way.

In a victory statement, he said he was "delighted by the results." He added, however, "This is only the first step in a long campaign."

In conceding defeat, Kefauver sent a telegram to Stevenson expressing "sincerest congratulations on your victory." He said he and his supporters will "join in anything they can do to help you."

Telling reporter he had "no excuses, no regrets and no alibis," Kefauver said he plans to continue campaigning for the presidential nomination. He reiterated he would not accept a vice presidential spot.

See Stevenson Victory
California Atty. Gen. Edmund G. Brown, Stevenson's No. 1 backer in the state, said the outcome "means California will elect Adlai Stevenson in November."

The total Stevenson-Kefauver vote—which might top 1,800,000—ran substantially ahead of Republican balloting for an unopposed 70-vote convention delegation supporting Eisenhower. The group also will back Vice President Nixon for renomination.

Eisenhower beat Stevenson by 760,000 votes in California in 1952. But a Republican primary contest that was sparked only by congressional and local races this time brought a relatively lower vote than that of the Democrats.

PLAN BOND ISSUE
WASHINGTON (AP)—The New York Truck Lines of Norfolk, Ohio, yesterday asked the Interstate Commerce Commission (ICC) for permission to issue two million dollars of 5 per cent debentures, dated to mature June 15, 1956. Proceeds of the sale, the company said, will finance advances to Shirk's Motor Express Corp., Lancaster, Pa. Norfolk is seeking to purchase Shirk's, which is now operating under temporary ICC authority.

WILKES-BARRE, Pa. (AP)—Adm. Harold R. Stark spoke at the Wilkes College commencement exercises yesterday as ground breaking ceremonies for a new \$900,000 science building to be named in his honor were held.

The construction was made possible by an anonymous gift which specified the building be named for Stark, wartime commander of the Atlantic fleet and former chief of naval operations. He is a native of Wilkes-Barre.

DIES OF INJURIES
RICHMOND, Va. (AP)—Injuries sustained in a two-car crash Sunday proved fatal yesterday to Sgt. L. C. John E. Morris, a military policeman from Pittston, Pa.

Morris, 26, was stationed at Camp Perry. The crash occurred on U.S. 60 in New Kent County.

BANK BURGLAR GIVEN 18 YEARS

WILLIAMSPORT, Pa. (AP)—A 21-year-old Lycoming County man today was under an 18-year prison sentence for robbing the Williamsport National Bank of \$64,000 last April 12.

Judge Frederick V. Folmer handed down the sentence on Monday in U.S. Circuit Court on John A. Waits, Williamsport, after the latter pleaded guilty to three counts of armed robbery and one of threatening the life of a bank teller.

Waits was indicted May 3 by a federal grand jury at Scranton in connection with the holdup.

Henry M. Yoon, of the Federal Bureau of Investigation, told the court Waits has a criminal record dating back to 1948, including four convictions on burglary charges.

Waits was released on parole from the Pennsylvania Industrial School at White Hill last January. Judge Folmer suggested that the U.S. Attorney general place Waits in an institution where he can be given psychiatric treatment.

Reserves Decision An Sobell's Appeal

NEW YORK (AP)—A federal judge has reserved decision on Morton Sobell's latest appeal for a new trial.

Sobell, sentenced to 30 years in prison as an atom spy, was convicted in 1951 with Julius and Ethel Rosenberg of conspiring to turn over atom bomb secrets to Russia.

The Rosenbergs were executed. Three times the U.S. Supreme Court has denied Sobell's appeals for a new trial.

Sobell's lawyers argued here on Monday before Judge Irving Kaufman that Sobell was convicted by perjured testimony of government witnesses.

SHOWER BURNS CONTRIBUTED TO MAN'S DEATH

READING, Pa. (AP)—A coroner's jury was told yesterday that a Wernersville State Hospital patient who died last Friday had been forced beneath a scalding shower 24 hours earlier.

The inquest into the death of John Pencishishin, 60, of Minersville, ended with a finding handed to Coroner Paul Good that "death was caused by complications aggravated by burns received from undetermined causes."

Good said a further investigation would be made.

Couldn't Testify
The testimony of the shower incident was hearsay, relayed by Terry Czebienski, an attendant at the hospital.

An unidentified patient who had been summoned became frightened when called before the six-man panel and could not testify. But Czebienski testified the patient told him of seeing Pencishishin dragged from his isolation room and forced beneath the steaming shower last Thursday night. The person or persons participating in the alleged incident were not identified.

Czebienski and other hospital employees said the victim had been in a "confused" state and that his physical condition was such that he could not walk unaided.

Other Causes Too
However, they said, he was found Friday morning in a room far removed from the one in which he had been placed Thursday. He was suffering from first and second degree burns.

Dr. Mark S. Reed, pathologist at Reading Hospital, said burns did not necessarily cause death. He testified Pencishishin suffered from a lung disease and had brain damage from a stroke.

The hearing was held at the hospital.

Of American families with installment debts, 70 per cent are scheduled to complete present payments within 13 months.

CAPTAIN GUILTY IN SHIP PROBE

BALTIMORE (AP)—Federal Judge R. Dorsey Watkins Tuesday found John Meckling guilty of "negligence so as to endanger life and property" in the sinking of an old pleasure schooner last August in which 14 lost their lives.

He was given a one-year sentence which was suspended. There was no fine. The maximum penalty was one year in prison and a \$2,000 fine.

Meckling was found innocent of another more serious charge — "negligence to the point of causing loss of life and property."

The Annapolis skipper was owner of the ill-fated Levin J. Marvel which broke up in Herring Bay off the coast of North Beach in the advance winds of Hurricane Connie.

A Coast Guard board investigated the disaster and turned its findings over to a federal grand jury which indicted Meckling.

He was tried in Federal Court without a jury.

WOMAN CITED FOR CONTEMPT

NEW YORK (AP)—Sonia Saroyan has failed again to testify in a truckers' big anti-trust suit against eastern railroads and a judge said she will be cited for contempt.

The woman refused to give a deposition in the suit last month. Yesterday she failed to appear in court for scheduled testimony.

Federal Judge Edmund Palmer said Miss Saroyan appeared to be physically exhausted and mentally confused, but he said he had no choice but to hold her in contempt.

Miss Saroyan is a former employee of the Carl Byoir public relations agency. She was to give testimony in the suit of the Pennsylvania Motor Trucking Assn. against the Byoir firm and the Eastern Railroads' Presidents Conference.

The truckers charge the Byoir firm, working for the railroads, waged a publicity campaign which defeated legislation sought by the

TIGERS JUMP TO FIRST DIVISION; HAD BEEN LAST

By ED WILKS

It's been a long haul, but Detroit's not-so-little Tigers have the American League by the tail at the moment. They're sprinting along on a seven game winning streak.

Three weeks ago Manager Bucky Harris had a last-place club. He's still 5½ games out of the lead, but up in the first division and only a skp and jump out of third.

Every one of the Tigers has put his bat to work in the seven-game success story—longest in the majors this season. Harvey Kuenn, batting .441 in that span, and Ray Boone, at .407, are the big guns.

Overpower Red Sox

Kuenn was 3-for-6 and Boone hammered home five runs with a homer, double and two singles in five trips last night as the Tigers outpowered Boston's Red Sox 14-11. Frank House, batting .571 on a part-time basis in Harris' patrolling plans in the streak, muscled in with a three-run homer.

New York's first-place lead dwindled to 3½ games, mean-while as Kansas City hand'd the Yankees—who made five errors—their fourth straight defeat 7-4 despite homers by Yogi Berra, Joe Collins and Mickey Vernon, who hit his 21st. Cleveland, with Bob Lemon winning his seventh, took over second by beating Baltimore 8-3. Chicago's White Sox slipped to third with a 3-1 loss at Washington.

Bucs Hold Lead

Things are a much cozier in the National. Pittsburgh, despite a 7-3 defeat at Chicago, has a four-percentage-point hold on the lead over Cincinnati, which trounced Philadelphia 9-4. It's a virtual three-way tie for first, with St. Louis three points back of the Redlegs after beating New York 3-1 while the Brooklyn Dodgers tripped Milwaukee to fourth, 6-1 on Roger Craig's two-hitter.

For all their thumping, the Tigers had a ninth-inning scare. Don Budin socked a three-run homer in the rally off reliever Walt Masterson. Billy Klaus and Jackie Jensen also homered for the Sox. Off starter Virgil Trucks, who won his second. Bob Porterfield was the loser.

The A's turned the Yank errors, three by second baseman Billy Martin, into four runs, tying it with three in the seventh before Lou Kretlow started to weaken. The veteran right-hander gave just two hits until the eighth when Mantle, hitting against a defensive shift for the first time, belted a two-run homer—his only hit. Collins homered to lead off the ninth and little Bobby Shantz came on to finish off the side. Johnny Kucks lost it.

Meilinger Signs With Redskins

WASHINGTON (AP)—The Washington Redskins have signed Steve Meilinger of Kentucky, a 225-pound end who was their No. 1 draft choice in 1954.

Meilinger, 25, has been in the Army for the past two years. He gets out July 3. The 6-foot-2 athlete was a second team All-American choice in 1953.

He is from Bethlehem, Pa., and now makes his home in Lexington, Ky.

New Oxford at Taneytown

Del Richardson turned in a four-hitter as Cashtown blanked New Windsor 11-0 in the makeup of a postponed Pen-Mar League game Tuesday evening, Cashtown moving back into undisputed first place.

The winners pounded out 10 hits off two New Windsor hurlers, Bobby Rohrbaugh collecting three hits in as many times at bat.

A homerun by Preston Duppins with two runners aboard in the last of the fourth inning giving Union Bridge a 3-2 victory over New Oxford. Duppins had failed twice to sacrifice after Shaffer had walked and L. Duppins had reached base on an error. His drive carried over the right field fence.

Eastern League

By THE ASSOCIATED PRESS

Once again, the Eastern League pennant race has reached an explosive stage.

The Albany Senators still lead the league, although they were trounced 10-0 last night at Reading as Indian hurler Jim Grant executed an artistic five-hitter. But any one of three other teams could be in first place after tonight's games.

By an accident of statistics, the Senators trail the second-place Allentown Redbirds by a half-game. Allentown last night nearly completed its long march from sixth place and a dismal season start as it edged the Schenectady Blue Jays 5-4 in a hard-fought 13-inning contest at Allentown.

The Jays and the Binghamton Triplets each also trail by a half-game. The Triplets, sparked by Dick Sanders' two-run homer and the league's first triple play of the season, whipped the Grays 3-1 at Williamsport.

And at Johnstown, the Johnnies dropped again to the cellar after a one-day respite as the Syracuse Chiefs beat them 8-3. All but one of the Syracuse runs were scored on a grand slam homer by Carl Linhart and a three-run homer by Andy Rellick.

Albany has played only 31 games this season to Allentown's 38. But the Senators have won a higher percentage of their games. Thus they lead the league while trailing in the won-lost column.

SIGNED BY CARDS

PHILADELPHIA (AP)—The St. Louis Cardinals have signed Jack Gallop, St. Joseph's College baseball captain, and assigned him to Allentown in the Class A Eastern League. Gallop graduated last Sunday, signed yesterday, and will report to Allentown next week.

MOORE SCORES 10TH ROUND KO OVER POMPEY

LONDON (AP)—Archie Moore today brushed aside all questions about another defense of his light heavyweight title and said:

"I'm the best heavyweight in the world—and that's the title I am after."

The cagey old fellow from San Diego, Calif., cleared his last hurdle on the way to the crown vacated by Rocky Marciano with a 10th-round TKO of Yolande Pompey of Trinidad in a light heavyweight title fight in London's Harringay Arena last night.

Entitled To Title

"We had signed contracts for this fight in London so we had to go ahead with it," Moore said. "Now I want that heavyweight title. I'm entitled to it. Marciano nominated me as his logical successor. Floyd Patterson and Tom Jackman are fighting Friday. There's talk of a fight against the winner in September. I can't get home soon enough to sort it all out."

Patterson and Jackson hold no terrors for Moore, who says he's 39, is reported to be 42, but who fights like a man of 30.

Charles Johnson, Moore's manager, said Moore would not think of relinquishing his light heavyweight title until he has the heavyweight crown under his belt.

Moved In For Kill

Moore let Pompey do most of the work in the early rounds and the Trinidad fighter was ahead on points at the end of the eighth.

Then came the ninth and Moore pounded Pompey with crushing rights and left hooks.

Blood spurted from a deep cut over Pompey's left eye.

In the 10th, Moore went in for the kill.

He sent Pompey down for counts of eight, nine and eight before Referee Jack Hart stopped the slaughter.

Pompey went to his dressing room with a deep cut over his left eye, another under his right eye and a big mouse over both. Moore was unmarked.

Moore weighed 174½, Pompey 171½.

Tuesday's Score

Today's Schedule

G. L. Bream Garage (McClellan 0-1) vs. Moore (Tuckey 1-0).

Scoring three runs in the bottom of the third inning and holding down a sixth-inning uprising, the Rotary continued undefeated by edging the Lions 4-2 on the Little League diamond Tuesday evening before a large crowd.

The Lions came up with a run in the top of the first frame when Tom Kuykendall led off with a single to center, went to second on Eugene Miller's perfect sacrifice bunt and finally came home on a single by Dick Crist.

The Rotary team retaliated in the bottom of the initial inning with a score. A pair of errors placed Johnny Longanecker on second to lead off the frame. A sacrifice error put Collins on second and advanced Longanecker to third.

Ted McPherson took first via a fielder's choice when Longanecker was cut down at the plate. Carl Johnson was tossed out at first with both runners holding their position, but John Hooka uncoiled a single to left driving in Tom Collins with the run.

Rotary scored three more times in the third to give the winners their all-important security runs. With one out Johnson singled to center, Holoka belted a single to left and Codori walked leading the bases.

An error put Jimmy Davies on, allowing Johnson to cross the plate. Little Jay Hartzell then smashed out his second hit of the night, a towering double to right-center driving in Holoka and Codori.

Hurlier Bears Down

In the top of the sixth the Lions threatened when Dick Crist and Howie Weikert lashed out the first pitcher for clean singles. Howard Miller then belted a long double to center driving in Crist for the single run.

Ted McPherson then bore down and struck out the remaining three batters to retire the side and hang up his second win of the season.

Johnny Holoka and Jay Hartzell led the Rotary hitting attack with a pair of hits each in three trips to the plate. Hartzell doubled driving in two runs while Holoka drove in one run and scored once himself.

Dick Crist cracked out two hits to pace the Lions.

Ted McPherson and Eugene Miller went the distance on the mound for their respective teams with McPherson receiving the win his second in as many starts, while Miller is charged with the loss his second in three outings.

PLAN TO MAKE LEGISLATIVE STUDY OF TAX

By DICK HOENIG
HARRISBURG (AP)—An official legislative study of the complex tax problem that brought about the longest General Assembly session in state history will be made during the next seven months.

The executive committee of the Joint State Government Commission yesterday authorized a "comparative study of the Pennsylvania tax structure."

Rep. Royer (R-Lancaster), re-elected commission chairman, said it will include detailed comparison with the tax structures of other states.

"This has never been done before," he added. Results of the project are to be transmitted to the 1957 session of the General Assembly early next year.

Chosen From Five
The tax study was one of five controversial and major topics selected by the commission's executive committee for consideration during the remainder of the year. Most of 10 topics chosen for study were the subject of bills or resolutions approved by the 1955 Legislature.

Among the others are: Pennsylvania public school administrative units; branch banking in Pennsylvania; surface and ground water supply; court procedures and administration and domestic relations laws.

The commission's executive committee, at its two-hour reorganization meeting, continued Royer in the post he has held since 1949.

Sen. Ruth (D-Berks) was named vice chairman, succeeding Sen. Wagner (R-Schuylkill). The

Says People With Peace Talent Needed

LEWISTOWN, Pa. (AP)—Henry Cabot Lodge Jr., U.S. ambassador to the United Nations, Monday night cited a need for people with a peace negotiating talent in America.

"The United States today, as never before, needs men like Gen. Frank R. McCoy who, knowing war, worked effectively for peace," Lodge said at a dinner meeting honoring the late Maj. Gen. McCoy, an active military leader and onetime diplomat in American circles.

"There is a great need for the talent for negotiations and for thus moving all humanity ahead on a broad front," Lodge said.

new secretary is Rep. Johnson (R-McKean) and the new treasurer Rep. Readinger (D-Berks).

No Priorities
No priorities were fixed on the authorized studies. All will be carried out by the continuing staff of the commission which now numbers 25 to 30 full and part-time consultants.

Asked if the commission figured it could complete the 10 assigned studies by January, Royer replied, "We have a pretty good record of getting done on time."

The study of the administrative structure of the school system will parallel a similar project authorized by the Legislature for the State Council of Education. The council was given \$50,000 for its work as the result of a Senate bill, killed in committee, which proposed elimination of the job of county superintendent.

Bills Not Passed
The branch banking study authorized by the commission was suggested in several bills and resolutions introduced in both branches. None passed finally.

Other studies to be conducted by the commission this year:

Building standards and specifications of the Property and Supplies Department; legislative and administrative printing; sale of insurance by mutual savings banks; professional licensure acts and their effects in Pennsylvania; and Pennsylvania state and local pension systems and their relations to existing social security law.

HAMMARSKJOLD BEGINS SECOND PHASE OF TASK

By MAX HARRELSON
UNITED NATIONS, N.Y. (AP)—Backed by a unanimous Security Council vote, U.N. Secretary General Dag Hammarskjold Tuesday began the second phase of his campaign to ease Middle East tension.

He was ready to assist Israel and her Arab neighbors in keeping up the momentum toward peace which he reported last month at the end of his special mission to the Middle East.

The 11-nation council gave him the go-ahead for a further effort after a week of debate on a British proposal which originally left the way open for broad peace negotiations. However, the resolution was drastically watered down to meet Arab and Soviet objections.

No New Trip
In the end, it limited the secretary general to continuing his "good offices" with Israel and the Arabs in an effort to obtain full compliance with the armistice agreements of 1949. How he would do this was left up to him.

Informed quarters said he had

J. F. Nash Is Named NYC Vice President

NEW YORK (AP)—The New York Central Railroad announced Tuesday that John F. Nash, president of the Pittsburgh & Lake Erie Railroad, has been appointed vice president-operation for the New York Central System.

For the time being, Nash will continue his present duties with the Pittsburgh & Lake Erie which is affiliated with the New York Central. As operations chief for the Central, he succeeds Kenneth L. Moriarty who resigned.

no plans for a second personal mission to the Middle East at this time. He had made it known that he felt the initiative was now in the hands of the Middle East countries themselves and that he would merely make himself available for any assistance they might want.

Arab Criticism
The main Arab criticism of the original British proposal, which had been worked out with the United States and France, was that it appeared to be aimed at a permanent peace settlement rather than at prevention of military clashes. They insisted it must be made clear that the intention was only to relax Arab-Israeli tension.

The British reluctantly agreed to take out a reference to "the need to create conditions in which a peaceful settlement on a mutually acceptable basis" can be made.

LA VIERES URGES FEDERAL AGENCY FOR COAL PROBE

WASHINGTON (AP)—A coal industry leader suggests that a federal agency be set up to undertake a comprehensive research program to find new and expanded uses of coal.

Harry LaViers, president of the South-East Coal Co., Paintsville, Ky., said the industry, itself has engaged in research, "but, unfortunately, not to the desirable extent" necessary. He said the industry is made up of thousands of small individual units, most of which "do not have a level of profit which permits them to contribute substantially to such purposes."

LaViers was one of a succession of witnesses before a House Interior subcommittee, which is conducting an investigation to determine what a comprehensive research could mean to the coal industry and to the nation.

Recommendations Later
It was set up under a resolution submitted by Rep. Saylor (R-Pa.), a member of the subcommittee.

LaViers, who also heads the National Coal Assn., Committee on Research and Development, said his committee will submit specific recommendations later. He told the subcommittee, however, that, in general, "the selection of re-

Navy Rockets Prove Fizzle

WHITE SANDS PROVING Ground, N.M. (AP)—The Navy got another fizzle on Monday when it attempted to shoot a research rocket up 138 miles.

Its Aerobee-HI reached only 37 miles into the sky. It attained not quite half the 6,100-foot-a-second velocity hoped for.

John Townsend and other scientists working on the project indicated it might be abandoned or at least delayed for a long time until they can find out what the trouble is.

Several weeks ago another Aerobee-HI reached only a few thousand feet in a highly publicized attempt at a new altitude record.

The Aerobee-HI is strictly a research vehicle, not a weapon.

search projects should be done on the basis of the greatest contribution to the good of the greatest number within the industry, keeping in mind that the public interest is paramount to that of any industry or company."

Another witness was Joseph A. Corgan, chief of the Bureau of Mines' Anthracite Division. He said the hard coal industry needs revitalization through a research program "designed to lower production costs and develop new uses for the product."

"The fields of metallurgy and gasification," Corgan said, "appear to offer the most promise of consuming sufficiently large ton-nages of anthracite to have beneficial effect on the industry."

FRENCH ATTACK 2 STRONGPOINTS NEAR MOROCCO

ALGIERS, Algeria (AP)—The French Tuesday unleashed two military operations against Nationalist rebel strongpoints to follow up last week's massive four-day engagement in eastern Algeria.

One new strike against the rebels was near Mt. Bou Kahl, about 60 miles south of Bou Sda, or 130 miles southeast of the capital. First reports said 19 rebels had been killed, and 21 small arms taken, as well as a radio receiver-transmitter. The French said some of their own forces were killed and wounded. The region has been the scene of numerous rebel incidents.

The second operation was

launched in extreme western Algeria. Elements of the French army stationed in Morocco were brought in for the operation. Among them was the 4th Infantry Division.

Operation Spread
The operation spread from Mar-nia, about four miles east of the Moroccan border, northward 19 miles to the Mediterranean Sea. Part of the region includes the Taras Mountains.

The Oran Department, which borders on Morocco, was one of the last areas penetrated by the rebels who began their insurrection 19 months ago in eastern Algeria. In recent months, the western border area has become a rebel hotbed. Scores of European-owned farms have been burned and assassinations and grenade-tossing incidents have been frequent.

The French have charged that Moroccan Nationalists from the Rif Mountains have often joined their Algeria compatriots.

How to have a lighter load 15 years from now

Just about every Dad (and Mom, too) dreams about sending their children to college someday. But an education costs money.

The one sure way to meet that bill when it comes is to prepare for it now . . . with Prudential's Education Plan. Here's how it works:

Suppose your child is 3 years old. If he enters college at 18, you have 15 years to accumulate the money. With Prudential's Education Plan, you begin now and spread the payments over the 15 year period.

And an important part of this plan is if Dad doesn't live to make all of the payments, The Prudential will continue the plan for you — and have the full amount ready when your child is 18.

Prudential's Education Plan is the easy and certain way to guarantee the money to educate the children . . . no matter what happens to Dad.

SAAR TRANSFER TO GERMANY IS GIVEN APPROVAL

LUXEMBOURG (AP) — French Premier Guy Mollet and West German Chancellor Konrad Adenauer agreed early Tuesday on the procedure for transfer of the rich Saar valley back to Germany.

Officials said the accord would permit speedy preparation of a treaty making the disputed border area a political part of West Germany by Jan. 1.

The agreement includes provisions for (1) a three-year transition period for termination of the customs and economic union between France and the Saar, (2) continued French rights to some coal production in the region and (3) building an international canal linking the Moselle and Rhine rivers.

France and West Germany have long sought to eliminate the Saar as a major point of friction in their relations. The German-speaking industrial sector supplies much of the coal to process the iron from France's great Lorraine mines nearby.

Announcement of the agreement came after talks between officials of the two governments stretched into the early morning hours in order to overcome a last-minute hitch on procedure. West German Foreign Minister Heinrich von Brentano left the French Embassy saying the negotiations had come to a "happy end."

Maurice Faure, French secretary of state for foreign affairs, said in a statement to reporters: "We have reached the end of the first phase of the French-

RR EARNINGS TO REMAIN STABLE

PHILADELPHIA (AP) — Reading Co. President Joseph A. Fisher told stockholders Tuesday that the railroad will earn about \$10,700,000 this year, about the same as 1955.

Fisher said wage increases, higher material costs and greater payroll taxes will add about 6½ million dollars to the Reading's expenses this year. But higher freight rates, he said, will raise income by about 4½ million this year and by about \$5,860,000 a year after that.

In analyzing company operations for the annual stockholders meeting here, Fisher said anthracite revenue was down 12 per cent last year and will remain about the same this year. Bituminous revenues, he said, increased 21 per cent in 1955 and should increase further this year. Merchandise freight, he reported, was up 17 per cent last year and is expected to go higher this year.

German negotiations. We have prepared clear and precise instructions and have solved the problem. These instructions will enable experts quickly to prepare a treaty."

Groundwork for returning the 991-square mile industrial valley to West Germany has been laid in a series of recent elections won by the region's pro-German parties.

The Saar was separated from Germany after World War I and administered by the League of Nations through a commission. In 1935 the Saarlanders voted to return to Hitler's Third Reich. Since World War II the Saar has been nominally an autonomous state, subject to French economic law, currency and customs.

PLANT SALE IS CANCELLED BY PRECISION WARE

WASHINGTON (AP) — The Reconstruction Finance Corp. said Tuesday it has returned to the Precision Ware Co., Brooklyn, N. Y., a \$5,000 down-payment which the firm made on the Mifflinburg Body Works plant at Mifflinburg, Pa.

RFC officials said they had no information as to why the Brooklyn firm withdrew its plan to buy the plant which has been in government hands more than four years.

One official told a reporter that Precision Ware made what was considered an acceptable offer for the plant last month and presented a check for \$5,000 to bind the deal. He said the firm indicated at that time that financial arrangements and other details for the purchase could be worked out within two days and RFC thereupon authorized the sale.

This official said RFC had no further word from Precision Ware until the firm itself announced that the deal was being cancelled.

The government made a loan of more than \$500,000 on the plant about five years ago. Soon afterward the firm then operating it went into bankruptcy and the government took over the plant.

Since then the government has been making efforts to make a suitable sale to some firm which would put the plant back into operation.

IDENTIFY BODY

HARRISBURG (AP) — A body found washed up on an island in the Susquehanna River near City Tuesday was identified as William B. McAdams, a magazine salesman from Chicago.

The body was found yesterday by a fisherman and identified by state police as the Chicago salesman who had rented a boat at Harrisburg last Thursday then was not seen again alive. The boat was found a day after it was rented.

The Jordan River Valley is so deep that its climate is much warmer than that of the surrounding country.

NEW CED STUDY SEES POSSIBLE TAX CUT SOON

WASHINGTON (AP) — The Committee for Economic Development today recommended a tax cut of two billion dollars or more next Jan. 1 — provided such a cut would not toss the nation's cash budget in the red.

The CED further qualified its proposal by saying there should be no tax reduction if only a small budget surplus is sighted for the fiscal year beginning July 1, or if inflationary pressures should build up.

On the other hand, the CED said Eisenhower administration budget estimates of revenue for the new fiscal year "may not have made sufficient allowance for the growth of incomes, profits and consequently tax receipts that would come from normal, non-inflationary growth of the economy."

Tax Cut Possible
Also, the CED added, a tax cut would be in line if "there is a conditions which requires strong

marked reversal of economic action to combat recession."

The CED views were contained in a new study of the budget, the economy and taxes. The CED describes itself as a "nonprofit, nonpolitical economic research and education organization supported by voluntary contributions from business concerns."

The study by the group's Research and Policy Committee said decision on a tax cut should be deferred until late in the current session of Congress when, it said, a more "comprehensive, authoritative review" can be made.

The CED suggested that if the prospective surplus for next year should be figured at from two to three billion dollars, first priority should be given to trimming individual income tax rates "especially those that are extremely high... to reduce their distorting effects on incentives and economic activity."

The CED said it favors using the cash budget, rather than the administrative budget, as a guide to tax policy. The cash budget includes collections for social security and other trust funds. The administrative budget, which omits these items, is ordinarily spoken of as the federal budget, covering actual operating income and outgo.

APRIL PERSONAL INCOME BOOSTED BY TWO BILLION

WASHINGTON (AP) — Personal income in April rose by nearly 2 billion dollars to a record annual rate of \$17 billion, the Commerce Department said today.

It was the second straight month in which a rise of nearly two billion dollars on an annual rate had been recorded. The April rate compares with \$15,200,000,000 for March, and \$13,300,000,000 for February.

Significant in the April report was a rise of ½ billion dollars in total agricultural income from \$14,100,000,000 in March to \$14,600,000,000 in April.

This was the highest annual rate for farm income in any month since last November. For the first four months of the year farm income has been running at a rate of \$14,300,000,000, or slightly below the \$14,800,000,000 for the entire year of 1955.

Income Components
Personal income includes wages and salaries, the net income of

proprietorships and partnerships, farm income, dividends and interest, net rents, and other types of individual income.

The department said wage and salary payments rose by about a billion dollars in April over March. March also had shown a billion dollar gain over February.

Two-thirds of the April rise in wages and salaries took place in manufacturing industries, a higher proportion of increase than in the previous month. The department said higher hourly earnings was the main factor in this advance, but noted there was also increased employment in factories.

Wage and salary income in April was at an annual rate of \$218,700,000,000 compared with \$217,500,000,000 for March. For the full year 1955 the annual rate for wages and salaries was \$208,500,000,000.

SALES EXECUTIVE KILLED

WILMINGTON, Del. (AP) — A man killed by the Pennsylvania Railroad's Congressional Limited at Holly Oaks station near here Monday has been identified as Samuel L. McSorley, 55, a sales executive with du Pont.

State police said McSorley apparently stepped onto the southbound track as the crack train headed toward Washington from New York.

PUC EXAMINER BACKS BELL CO.

HARRISBURG (AP) — A Public Utility Commission examiner Tuesday ruled valid the testimony on depreciation submitted by the Bell Telephone Co. in support of its proposed 36 million dollar rate increase.

Examiner Jay Elsemann overruled objections by commission counsel, challenging the utility's method of determining depreciation as boosting original cost estimates by 25 million and replacement cost estimates by 90 million.

The two figures are key ones in determining whether Bell will be allowed the proposed increase, scheduled to become effective Sept. 14. Depreciation is a major factor in determining utility rates.

The ruling by Elsemann was appealed by Robert Engel, assistant city solicitor of Pittsburgh, to the full commission membership. The commission meets in executive session next Monday and may rule then on the appeal.

John E. Fullerton, commission attorney, contended that Bell had used only part of its plant in making the depreciation estimate.

Karns, pastor of St. John's Lutheran Church, Richard Mackley and Gary Strevig; Junior A, fourth grade, the Rev. Porter W. Seiwel, pastor of Redeemer's Evangelical and Reformed Church, John Shomper and Larry Unger; Junior B, fifth grade, the Rev. G. Howard Koons, pastor of Christ Evangelical and Reformed Church, and Miss Betty Wallick; Intermediate, sixth through ninth grade, the Rev. David S. Kammerer, pastor of St. Paul's Lutheran Church, and Miss Joyce Barnes.

The Bible School classes will conclude on Friday, June 15, when there will be a program by the children for parents and friends that morning at 10 a.m. in Redeemer's Church. The annual picnic for the children will be held on the 15th at 2 p.m. on the com-

munity playground.

Newly elected officers of the Littlestown Lions Club will be installed at the first June dinner meeting of the club at 7 p.m. on Thursday in St. John's Lutheran Church social hall. William Lau, Spring Grove, zone chairman, will be in charge of the installation. The evening's program will be in charge of the finance committee, including Charles E. Tressler and W. A. Crabb.

Miss Edna Basehoar, W. King St., will be hostess to the Frances Segner Missionary Society of St. Paul's Lutheran Church for the June meeting at 7:30 p.m. Thursday.

A representation from the Ladies' Auxiliary to the Ocker-Snyder Post No. 321, American Legion will attend the quarterly meeting of the Four County Council of Auxiliaries on Thursday in Mercersburg.

The residents of Prince St. will enjoy their annual summer picnic on Sunday, June 24, at the South Mountain Fair Grounds, near Arendtsville. There will be a basket luncheon at noon and an afternoon of recreation.

The Carroll-Adams Riding Club, Inc., will hold its June meeting at 8 o'clock on Thursday evening at the clubhouse, "Sunset Hill Farm," near town. Refreshments will be served by Ivan Arentz, Thomas L. Cookson Jr. and Raymond Flickinger.

Members of the Ladies' Auxiliary to the Mason and Dixon Memorial Post No. 6954, Veterans of Foreign Wars planning to attend the 21st District meeting on Sunday in Delta will leave at 12 o'clock noon from the VFW Home, W. King St. Miss Jean Blocher, daughter of Mr. and Mrs. Hadley W. Blocher, E. King St., and Miss Dorothy Jones, daughter of Mr. and Mrs. B. M. Jones, N. Queen St., both students at Lebanon Valley College, Annville, are spending the summer vacation at their respective homes.

The Littlestown Junior Chamber of Commerce will sponsor a second team in the Pony League, for boys of ages 13 through 15, and will not sponsor the League as incorrectly stated, since the League was originally sponsored last year by the Windsor Shore Company, Inc. The interest of participants in playing has been felt so that the Jaycees decided to sponsor a second team.

44 GRADUATE AT TANEYTOWN; AWARD HONORS

Forty-four seniors received diplomas at the Taneytown Junior-Senior High School graduation exercises held recently at the school. Dr. John Baxter Howes, of the Westminster Theological Seminary, spoke on "Figs From Thistles."

Following the processional Rev. Stanley Jennings offered the invocation and the mixed chorus sang a response. The school orchestra played "Impromptu" and "Golden Days." Principal Andrew Mason introduced Samuel M. Jenness, superintendent of Carroll County schools, who brought greetings from the board of education. The mixed chorus sang "May Day Carol" preceding the awarding of the diplomas.

Mason introduced the following students in the order of their scholastic standing who were in the upper fifth of the class: Arlene Naylor, Suzanne Lawyer, Frank Henshaw, Patricia Flickinger, Larry Feeser, Helen Humbert, Sandra Koons, Joan Davidson and Roberta Garvin.

Academic Honors
Miss Naylor received the Balfour key and magazine subscription for having attained the highest academic rating.

American Legion citizenship awards were presented to Patricia Flickinger and Albert Angell by James Ficus, post commander. Miss Naylor also received a twenty-five dollar Defense Bond for her successful participation in the American Legion oratorical contest. Sportsmanship trophies donated by the Alumni Association were won by Roberta Garvin and Larry Feeser. They were awarded by Robert Waddell, president of the association.

Mrs. Harvey Dickinson, outgoing president of the PTA, presented the activities award to Larry Feeser, who had the highest number of points for extra-curricular activities.

Triple Leadership
The outstanding girl and boy in social, religious, mental and leadership areas were Helen Humbert and Glenn Copenhaver. Mr. Mason presented each one with a copy of the book "I Dare You" given by the Danforth Foundation.

The following students achieved perfect attendance records: Six years — Helen Humbert and Robert Fuss; four years — Patricia Flickinger, Suzanne Lawyer and Larry Feeser.

Mrs. Allen Feeser represented the DAR and presented Arlene Naylor with the DAR Citizenship medal for her participation in the DAR county essay contest.

Clyde Hesson, former president of the board of education, and his wife, Mrs. Hesson, attended the exercises.

Closed With Song
Commencement closed with the senior class song "You'll Never Walk Alone." The Rev. Edmund Weiker pronounced the benediction and the chorus sang a response.

The members of the graduating class were the following: Clarence Albaugh, Albert Angell, Dorothy Ann Baker, Larry Barnhart, Delbert Brauning, Rita Carr, Virginia Cassell, Barbara Clingan, Ray Cluck, Glen Copenhaver, William Crapster, Joan Davidson, Marjorie Dickinson, Margaret Fair, Larry Feeser, Patricia Flickinger, Ruby Frock, Robert Fuss, Robert Garvin, Philip Halter, Marlene Harbaugh, Barbara Helfner, Frank Henshaw, Helen Humbert, Clarence Hyser, Shirley Jordan, Edward Kaufman III, Sandra Koons, Suzanne Lawyer, Millie Liepins, Henry Lippincott Jr., Larry Martin, Arlene Naylor, Leslie Null, Janet Overholzer, Daniel Ridinger, Mary Alice Rue, Rosalie Sharrer, Robert Simmons Jr., John Skiles, Harold Slaybaugh Ann Stiehl, Joan Stiehl, and Thelma Jean Wilson.

LANGUAGE BILL DEBATE SPURS CEYLON CLASH
COLOMBO, Ceylon (AP) — Fighting broke out around Ceylon's House of Representatives on Tuesday while lawmakers debated a bill that would make Sinhalese the only official language on the island. Some combatants were thrown into the nearby sea.

The trouble started when about 250 persons representing Ceylon's Tamil-speaking minority went on a sitdown strike near the House. They were attacked by Sinhalese-speaking crowds. Two members of Parliament leading the sitdown demonstration were injured.

Premier Solomon Bandaranaike appealed from the steps of the House to the Sinhalese to withdraw peacefully, but after four hours of disorders it was the Tamil

speakers who left in buses provided by the police. The Premier earlier made a radio broadcast appealing for calm.

Other Outbreaks
Clashes between the two language groups also were reported from other districts.

Sinhalese is the majority language of Ceylon, spoken by about five million persons. Tamil is spoken by two million in northern and eastern Ceylon. It was introduced by plantation labor imported from South India.

The old Parliament last October voted to give Tamil and Sinhalese equal status as official languages, but the action touched off such violent protests later legislation was introduced to make Sinhalese the one official language.

HARRISBURG (AP) — James W. Bailey today began his duties as district engineer for the State Forests and Waters Department at Stroudsburg. Bailey was appointed to the post Monday.

ADENAUER DUE IN WASHINGTON NEXT MONDAY
WASHINGTON (AP) — West German Chancellor Konrad Adenauer will arrive in Washington next Monday for informal talks with President Eisenhower and Secretary of State Dulles.

The West German Embassy today announced the itinerary for the 80-year-old statesman's seven-day trip to the United States. Adenauer last visited this country a year ago.

It previously had been reported from Bonn that Adenauer would receive honorary degrees from Yale and Marquette universities, his fourth and fifth American doctorates.

Due Next Saturday
Adenauer's plane is due in New York next Saturday. After a week-

end in New York, the German leader will take part in Yale University commencement exercises Monday at New Haven, Conn. From Yale, he will fly to Washington.

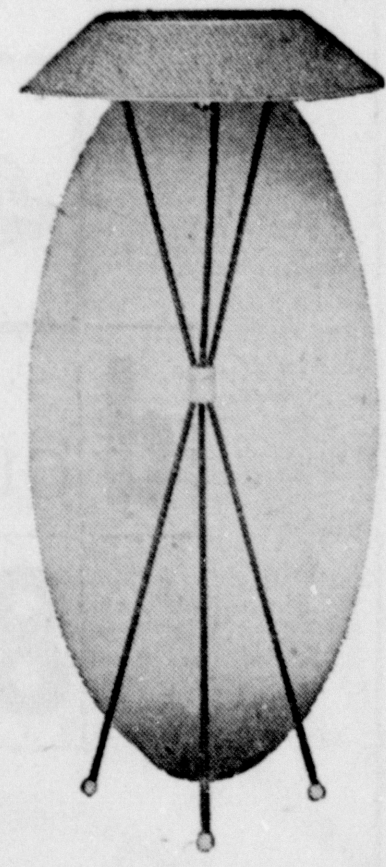

On Tuesday, Adenauer will confer with Dulles at the State Department. The next day he will be honor guest at a White House luncheon given by Eisenhower.

After a one-day return visit to New York, during which he is scheduled to address the Council on Foreign Relations, Adenauer will fly to Chicago to speak Friday at a luncheon of the Executives' Club.

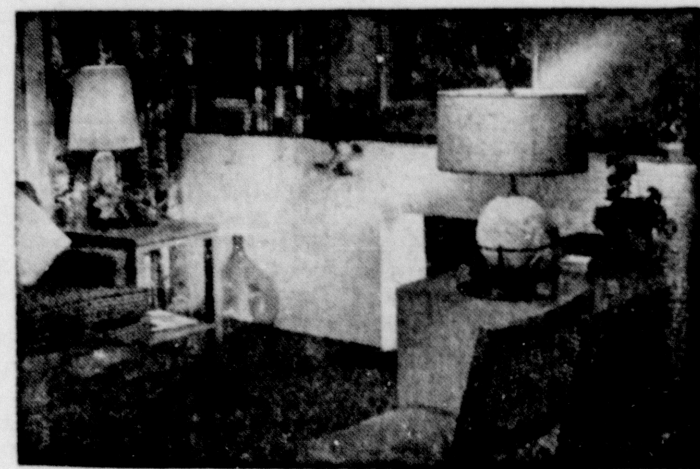

Later that day, Adenauer will travel to Milwaukee to receive an honorary doctorate from Marquette. Immediately afterward, he is booked to leave Milwaukee on his return flight home.

A wire rack with feet that hold it up from the table is recommended for cooling cakes and cookies because it allows the air to circulate under the baked products and keeps them from becoming soggy.

PLYMOUTH

OFFICIAL JACKPOT RULES

1. Contest is open to any person in U.S. or its territories who owns any make, model or year passenger car registered in his or her name, except employees and their immediate families of Plymouth Motor Corporation, Plymouth Division of Chrysler Corporation, its advertising agencies, the American Mailers and Binders, and Plymouth dealers.

2. There's nothing to buy. Take your registration certificate or any document proving legal ownership of your car to any Plymouth dealer. Register on the entry blank the state license plate number of your car, its make, model and year.

3. Fill in on the drawing of the standard Push-Button drive selector the designations of the push buttons in the proper locations. These designations are: "N" for Neutral, "L" for Low, "D" for Drive and "R" for Reverse. This must be done completely and correctly for you to be eligible for drawing of winners.

4. Enter your name and address where indicated on the entry blank and have your entry signed or otherwise validated by a Plymouth dealer or salesman. Place your entry in official contest entry box.

5. Winners will be selected by a random drawing by the American Mailers and Binders, an independent judging organization. Decisions of the judges will be final.

6. All entries become the property of Plymouth Division of Chrysler Corporation and none will be returned. Plymouth and its advertising agencies will not enter into correspondence with any contestant, except winners.

7. Contest opens at beginning of dealer's business day, May 25, 1956. Entries must be placed in entry box before close of dealer's business day, July 14, 1956.

8. Winners will be notified by mail by September 14, 1956. Names and addresses of winners will be posted in Plymouth dealerships. Prizes will be awarded at Detroit, Michigan.

9. Contest subject to all Federal, State and local regulations.

PUBLIC APPEAL PLANNED BY IKE ON FOREIGN AID

WASHINGTON (AP) — President Eisenhower was reported planning a personal public appeal for his foreign aid program while House leaders mapped strategy on restoring part of his hard-hit money request.

Eisenhower apparently won a measure of agreement at a bipartisan conference with House leaders last night that the House Foreign Affairs Committee cut too deeply in whacking \$1,109,000,000 from his \$4,900,000,000 program.

Rep. Vorys (R-Ohio), one of the five Republicans and five Democrats who attended the conference, reported he "said he ought to tell the people how he felt before the Congress acts."

House Republican Leader Martin of Massachusetts quoted Eisenhower as saying it would be "dangerous to national security" to make a billion-dollar cut in the program designed to bolster the free world against communism.

Martin said this was also the view of Secretary of State Dulles and Adm. Arthur W. Radford, chairman of the Joint Chiefs of Staff, who attended the 1½-hour conference.

House Speaker Rayburn of Texas said afterward he thinks the committee cut was too large. So did Rep. McCormack of Massachusetts, House Democratic leader.

But there apparently was no decision on just how much money the leaders might ask a reluctant House to restore, nor was Eisenhower said to have mentioned a specific amount.

Meanwhile, trouble for the big measure was forecast on other points.

In the House, one congressman after another was lining up in support of an amendment to cut off all U.S. aid to Yugoslavia.

Senators McCarthy (R-Wis.) and Jenner (R-Ind.) introduced a like bill in the Senate, and Republican Leader Knowland of California called for "a searching reappraisal" of all aid to neutrals.

The \$4,900,000,000 Eisenhower program for the year starting July 1 included 30 million dollars in proposed economic aid for Yugoslavia plus a secret amount of military assistance. The Foreign Affairs Committee voted to chop the 30 million dollars in half.

Other House amendments were proposed to cut off U.S. aid to Egypt and India.

BURMA LEADER RESIGNS OFFICE

RANGOON, Burma (AP)—U Nu, Burma's Prime Minister for eight years, resigned Tuesday to develop all his time to reorganization of his party, the Socialist Anti-Fascist People's Freedom League.

His successor as head of the government is U Ba Swe, former defense Minister and vice president of the AFPFL.

U Nu told a news conference he had accepted appointment to lead the government after the 1947 assassination of Gen. Aung San, chairman of the Executive Council, only to prevent the murderers' seizing the post.

Even then, he recalled, he had asked that his term be limited to six months, but local and Communist rebellions in 1948 after he had negotiated Burma's independence from Britain obliged him to remain in office.

U Nu said he had asked several times to be released, but his colleagues in the AFPFL yielded only when he threatened to resign from both the party and his office.

U Nu declared a party leader should give all his time to party affairs and keep in close touch with its organization and that neither of these is possible for a prime minister.

Rotarians Reach Membership Mark

PHILADELPHIA (AP)—Rotarians were told at their annual convention Tuesday that their organization reached a record membership last year.

In his report to the 47th annual convention of Rotary International, Secretary George R. Means also disclosed that a Rotary Club was formed in Iran on May 20, making that country the 99th in which Rotary clubs are now in operation.

Clubs were formed during the past year in six other countries for the first time, Means said. They are Iraq, Jordan, Netherlands New Guinea, Angola, Ruan-di-Urandi and Swaziland.

They were among 316 clubs organized during the period. They, with increased membership in existing clubs, brought the organization's membership to more than 430,000, Means added.

Now other officials of the party have allowed him one year to give undivided attention to political organization.

"If at the end of a year my calculations are found to be correct and my work beneficial to the country, I hope my colleagues will continue to accept my stand," he said.

"What a messenger boy I used to be, around the first of the month—hiking all over town with cash. No more. In half an hour I can write checks to pay all my bills—drop 'em in the corner mailbox—and that's that!"
